

Your “My PropertyFile” App

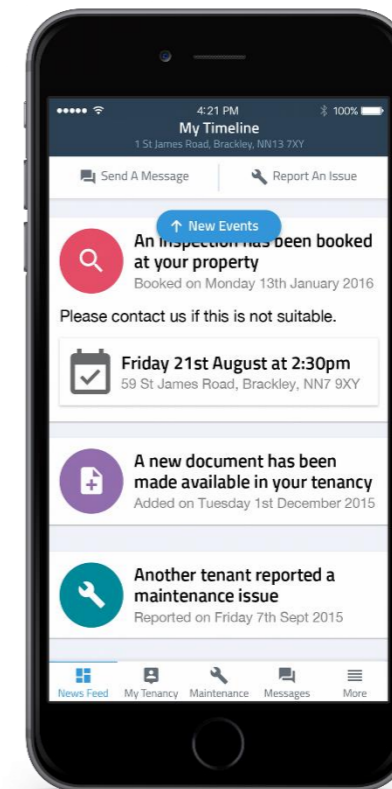

*Stay informed,
every step of
the way*

Discover your helpful dashboard, where you will find an overview of your tenancy details, any outstanding issues, and a timeline of updates

*Benefit from simple
maintenance
reporting*

The PropertyFile app allows you to report issues electronically, and you can even include pictures meaning your agent can diagnose the problem in a much shorter timeframe and handle it in an appropriate manner

*24 hour access to
important
information and
documents*

With the PropertyFile app, you get 24 hour access to all of your important documents, like your tenancy agreement or deposit details – so you will always be in the know.
